HMS Awarded Third Party Liability Services Contract by Michigan Department of Community Health

NEW YORK, January 25, 2010 – [HMS](#) today announced that it had been awarded a contract by the Michigan Department of Community Health (MDCH) to provide customized Third Party Liability Services including [cost avoidance](#), commercial insurance billing, credit balance audits, casualty recoveries, National Medical Support Notice (NMSN) processing, and [estate recovery services](#) for the state's Medicaid program.

MDCH, one of the largest departments in the state's government, is responsible for health policy and management of Michigan's publicly-funded health service systems. About two million Michigan residents will receive services this year from MDCH.

“The Michigan Department of Community Health has been at the forefront of healthcare innovation,” said Maria Perrin, HMS's Executive Vice President of Government Services. “HMS is proud to support leaders such as MDCH and enable them to expand coverage, reduce costs, and advance their commitment to strengthening healthcare and improving the health status of the citizens of Michigan.”

HMS opened an office in the Lansing, Michigan on January 1, 2010 to service MDCH.

HMS has served the state of Michigan since 1995, providing third party liability coordination of benefits and cost containment services that have resulted in millions of dollars in savings for the Medicaid program.

About HMS (NASDAQ:HMSY)

[HMS](#) is the nation's leader in coordination of benefits and program integrity services for healthcare payors. HMS's clients include health and human services programs in more than 40 states; commercial programs, including commercial plans, employers, and over 100 Medicaid managed care plans; the Centers for Medicare and Medicaid Services (CMS); and Veterans Administration facilities. As a result of the company's services, clients recover over \$1 billion annually, and save billions of dollars more in erroneous payments.
